Hi Ij,

Can you please send the admin login that is being used please? We also need the tutorial videos please.

I want to begin sending you the changes/modifications that need to be made to the website please.

1. The contact/support/order phone # for the business is 443-386-4490 (for now, until we can get a 1-800 number setup)

2. About Us / About Our Company is not correct.

About Our Company

Past Time Place is the largest one-stop shopping destination . Launched in 2021, the online store offers the widest range of products in categories ranging from electronics to household appliances, latest smart phones, Camera, Computing & accessories fashion, health equipment, and makeup.

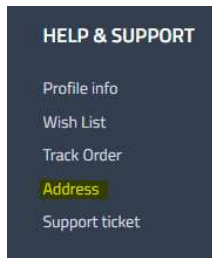

3. Donate tab is not functional. This is something we need to discuss how want to set this up as far as donating an item, financial, etc. Also, we will be providing a writeup about "Donating", so those looking to donate know what The Pastime Place is about, what our plan is, and who we are partnering with.

4. What is the intended functionality of "Address" under Help & Support?

- a. If the intent is to list the business address, for now that is: (this will eventually be changed to a P.O. Box at a later date)

212 Jessica Lyn Ave

Stevensville, MD 21666

5. "HOW TO BUY AND SELL" tab needs to be completed. Please let me know if this is something that we need to provide a writeup.

6. "Frequently Asked Questions" needs to be updated and completed. We should have a discussion to review and make sure we capture everything.

- a. Several need to be updated to correlate with The Pastime Place, wording references another business, etc.
- b. Several need to be removed; does not pertain to The Pastime Place
- c. Several need to be add. How do I buy? How do I sell? What is the return policy? What are the seller fees? Etc.

7. The "Seller Fee Structure" is not listed anywhere on the website. Should be under Help & Support (??)

8. Need to add under Help & Support: "How to Sell" and "How to Ship" with explanations/details. We can discuss the best way to do this. (Something I saw on Sideline Swap that I thought was customer focused and would be a great add)

9. The info needed for the two seller account registrations has been sent.

10. The "Sell Button" is difficult to locate on the homepage. Can we make this more noticeable to locate on the homepage please?

11. As part of the product description/listing, this should include the product location. This will allow the buyer to know if they can do local pickup or to know where the product will be shipping from.

20. The website does not display correctly at all using a phone and/or tablet. This is going to be important as I believe this will be the most popular method of people accessing/utilizing the platform until we can get an app developed down the road.

21. Email situation needs to be resolved. No app seems to work. Only login to webmail via website. Why doesn't The Pastime Place emails (craig & info) work with Apple iPhone mail app? Is there something we can do so it does work?

a. Need to also get this corrected for Outlook of laptop.

There are quite of number of items that need to be addressed with changes/modifications, etc. There are also several items that we need to discuss, so we have a plan on how to complete. There are also several deliverables still needed from us, Donate writeup, etc.

Once I have the admin login, I will continue to review the site "internally" and provide additional changes/modifications that may be needed. I tried logging in as seller/buyer using the "max" and "james" logins and it did not work...maybe because they only work with staging links? Will the admin login work with the launched site?

Just to verify:

- Shipping calculators have been integrated/completed for FedEx, USPS and UPS?
- PayPal has been integrated?
- Stripe had been integrated?
- Data collection for accounting purposes is complete?
- Data collection for business analysis is complete?
- Messaging platform has been integrated?

Can you please provide us an updated lists of points that have been completed like you have done for me in the past?

I know this is a lot. We can set up a time to review/discuss.

I appreciate all the help!

Thanks much,
CU
